Hello,

The *NRA Foundation is the educational element of the NRA*. Funds raised at the annual banquet will help support the [Youth Shooting Programs in the State of Maryland through grants](#). [Many Clubs, 4-H Clubs, BSA and JROTC have received grants from the NRA Foundation over the years](#). I work with Anne Arundel Fish & Game as a Coach for the Jr. Rifle Program, the Annapolis High School NJROTC Air Rifle team. I personally oversee the use of grant money awarded to these programs. The benefits our youth gain through participation in these programs are more than a physical skill set. It helps develop their character and promotes problem solving techniques. The educational experiences they obtain will last them a lifetime.

To make a difference, we rely on the support of generous individuals, businesses and shooting sports clubs in our community. We would be most grateful if you would consider purchasing a table or provide underwriting for items available at the banquet. If your club provides underwriting or a donation your club/business name will be listed in our banquet program as a donor to this important cause. Some contributions given to the Annual Anne Arundel County Friends of the NRA banquet are tax-deductible†.

We thank you for your consideration of our request, and look forward to hearing from you in the near future.

Sincerely,

Andrea C. Miller
